

Audubon Miami Valley (AMV) has been a local chapter of the National Audubon Society in Butler and Preble Counties since 1976. Our strong membership and active leadership make us one of the most dynamic chapters in the Midwest. AMV is an incorporated, nonprofit, 501(c)(3) organization.

Our Vision

We envision a world where humankind accepts the obligations of being part of nature, especially the obligation of stewardship. We seek to shape a culture in which the violation of nature is socially, politically, and morally unacceptable. In short, we seek a culture of conservation and an environmental ethic.

Our Mission

Audubon Miami Valley works to conserve and restore natural ecosystems, focusing on birds, other wildlife, and their habitats for the benefit of humanity and the earth's biological diversity.

- Audubon Miami Valley (AMV) programs and field trips are open to the public and typically are free. Most of these events are appropriate to a variety of age levels. You don't have to be an expert birder to participate.
- AMV meetings and programs are held on the second Monday of the month during the academic year, September - May at the Lebanon City National Bank on Park Place & Main Sts., Oxford, 7:30 p.m.
- Field trips follow our varied interests. We may visit a local nature area, or carpool a bit farther to a state park or birding hot spot. We always encourage carpooling!
- AMV takes a hands-on approach to solving environmental and conservation problems by protecting bird habitat areas in southwest Ohio.
- AMV provides scholarship support to area educators from Butler or Preble counties. Teachers bring back a wealth of experience to share with their schools and classrooms.
- AMW supporters receive our informative quarterly newsletter.
